2. Requirements

2.1. Scope of Work / Specifications

Dr. William Burrus Elementary proposes to construct an outdoor learning facility for exploring, thinking, learning and gaining new understanding in Science, Math, Language Arts, Environmental Studies, etc. The proposed 4,000 square foot area will be constructed between the 2^d/3rd grade and 4th/5th grade hallways. The following specifications serve to provide supplemental detail to the design posted to our website at sumnerschools.org/index.php/current-ids-and-rfps. The design reflects the full scope of the project.

A site visit is recommended to ensure a complete understanding of the project scope and location.

Teaching Tools

- Dry erase board installed under Pavilion
- Powder coated clip board stands set in concrete from 24" to 36" tall
- Weather Station including items such as thermometer, barometer, wind vane, windon

- SCS reserves the right to enter into discussions with Proposers which have submitted proposals determined to be reasonably likely of being considered for selection to assure a full understanding of and responsiveness to the RFP requirements. Every effort shall be afforded to assure fair and equal treatment with respect to the opportunity for discussion and/or revision of their respective proposals.
- Upon mutual agreement by both parties, SCS shall grant the right to extend the terms, conditions and prices of contract(s) awarded from this RFP to other Institutions (such as State, Local and/or Public Agencies) who express an interest in participating in any contract that results from this RFP. Each of the “piggyback” Institutions will issue their own purchasing documents for purchase of the goods/services. Proposer agrees that SCS shall bear no responsibility or liability for any agreements between proposer and the other Institution(s) who desire to exercise this option.
- Contractors awarded construction projects for the improvement of real property will be required to provide the following:
