“From Pandemic to Purposeful Practice:
Innovating Healthcare Education and
Delivery for the Future”**

Date(s): March 4, 2021

Location: Virtual

DISCLOSURE TO ATTENDEES... without commercial interest

As a sponsor accredited by the Accreditation Council for Continuing Medical Education (ACCME), Loma Linda University School of Medicine Continuing Education, must insure balance, independence, objectivity, and scientific rigor in all its sponsored educational activities. LLU has implemented a process where everyone who is in a position to control the content of an educational activity has disclosed all relevant financial relationships with any commercial interest. Any significant financial interests or other relationships with manufacturers of commercial products and/or providers of commercial services discussed in their presentations, as well as any relationships with commercial supporters of this CME activity are expected to be disclosed. In additio

The Loma Linda University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The Loma Linda University School of Medicine designates this Live Activity for a maximum of *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been planned and implemented in accordance with ACCME essentials and standards. The Loma Linda University School of Medicine Office of Continuing Medical Education relies on its CME faculty to provide program content that is free of commercial bias. Therefore, in accordance with ACCME standards, any faculty and/or provider industry relationships will be disclosed and resolved.

Interprofessional Education Day
From Pandemic to Purposeful Practice:
Innovating healthcare education and delivery for the future

Anthony Hilliard, MD, FACC
Jeffrey Kim, MD

Moderators
Anthony Hilliard, MD, FACC
Erin Richards, DDS

Objectives:

1. Analyze the necessary telehealth improvements to communication, patient care, and adaptations to new policies and procedures from various healthcare professional perspectives.
2. Develop methods in which all professions can more effectively and efficiently deliver collaborative, patient-centered healthcare in this new digital era.

3:25 p.m. – 3:35 p.m. Break

3:35 p.m. – 3:50 p.m. Community Presentation
Juan Carlos Belliard, PhD, MPH

Objective:

1. Introduce the necessary community improvements with public health precautions, the effect of recent healthcare changes and the utilization of community resources for patients and healthcare providers.

3:50 p.m. – 4:20 p.m. Community Panel Discussion

Moderator
Juan Carlos Belliard, PhD, MPH

Panelists

4:30 p.m. – 4:55 p.m. Community Large Group Discussion

Moderators

Juan Carlos Belliard, PhD, MPH

Erin Richards, DDS

Objectives:

1. Analyze the necessary community improvements to public health and community resources as it pertains to various healthcare professions.
2. Develop ways in which all professions can more effectively and efficiently improve community health through collaborative, patient-centered healthcare in this digital era.

4:55 p.m. – 5:00 p.m. Closing

Interprofessional Education Day
From Pandemic to Purposeful Practice:
Innovating healthcare education and delivery for the future

Speakers

Marti Baum, MD, FAAP

Ron Carter, PhD

Executive Vice President, University Affairs, Loma Linda University Health
Provost and Chief Academic Officer, Loma Linda University

organization. Dr. Carter is the University Provost and Chief Academic Officer.

His post-doctoral work is in Molecular Systematics. He is a published editor and author of scientific books and papers on conservation and the genetics of speciation.

Dr. Carter is an ordained SDA minister. He has served as youth pastor at the Arlington SDA Church, and college chaplain and religion teacher at Walla Walla University. At LLU, he has served as a researcher, mentor of graduate students, department chair, a Dean, a Vice Chancellor and now as Provost.

His research has included studies in the Galapagos, the Amazon, the Bahamas, the Puget Sound of western Washington, China, and Indonesia. His DNA studies have included population of sea birds, fish, shrimp, lizards, turtles, and sunflowers.

In 2010, Dr. Carter led Loma Linda University into regional re-accreditation with such success that he was invited to serve two terms (6 years) as a WSCUC (WASC) Commissioner.

Dr. Distelberg is also leading multiple projects focused on integration of physical and mental health. He is one of the developers of the MEND program which is an innovative behavioral health program offered through the LLU BMC. This program addresses physical health and chronic physical health challenges through behavioral health integration. This program was launched at LLU BMC in 2009

Healthcare Foundation. Dr. Distelberg is also the principle investigator for a new behavioral health integration initiative funded by the California Department of Healthcare Services. This local initiative

Jeffrey Kim, MD
